R 7 File No. 65 of 1903-04

Serial No.

Mr. D. Dunnajiroo who mortgaged his property to Govt. for Rs 2,50,000, has executed a mortgage deed on a stamp paper valued at Rs 2800 and requests that the stamp duty may be remitted. As he had also to pay a large amount of Rs 627 for getting the deed registered, I see no objection to remitting the full amount of stamp duty under cl (a) section 9 of the Stamp Regulation considering that the Govt. has lent him a large amount and Govt. is the mortgagee.
